Students enrolling in courses will be expected to use a computer with internet access on a regular basis. Computers with internet access are available in the computer lab and learning commons for student use.

HYBRID COURSES - Combine on-campus class meetings with course activities completed via Internet. They will be scheduled in a classroom for the semester, are expected to meet at least 50% in face to face mode, and should have the dates of the face to face sessions identified in the course syllabus. Identified in the Course Schedule as Type **HYB**.

ONLINE COURSES - Consist of learning activities accomplished via Internet. No on-campus meetings are required, but in a few cases an occasional face to face meeting may be necessary. Identified in the Course Schedule as Type **OnL**.

(Reserved for Human Biology Students only) Means that the reserve has been removed
